

Cannon's Point Preserve

Usage Request Form

The overarching goal in protecting Cannon's Point is protection and enhancement of the health of

- Rare species and natural communities;
- Biodiversity; and
- Ecological processes

An additional conservation purpose is to provide environmental, historical, cultural, and conservation-related educational, research, and recreational opportunities.

We encourage visitors to record data while they are out on the property such as flowering plants and wildlife sightings to help build our database.

Phone Number:

Physical Address:

How Many Adults Will Be In Your Group?

How Many Children Will Be In Your Group? Age Range of the Children?

Please List Your Top Three Date Choices For Your Program (Field trips can be scheduled on Tuesday's and Thursday's anytime between 8am and 3pm):

Special Requests Or Notes:

***Note: This request will be evaluated and you will be notified of our decision within 21 days**

To protect the special features of the preserve, the following are never allowed:

- Animals brought on the property
- Climbing
- Collecting
- Metal detectors
- Smoking
- Vehicles in the northern area (except for emergencies, maintenance, management, and designated tours)

Reminders

- Parking is only permitted in designated areas
- Speed limit is 20mph on paved roads and 10 mph on unpaved roads
- Bring plenty of water
- Bring bug spray
- As part of coastal Georgia's natural ecosystems, some of the wildlife includes venomous snakes and American alligators
- Take all trash with you when you leave
- Wear appropriate outdoor clothing-closed toed shoes and pants are recommended
- Be aware of the weather-thunderstorms can arrive quickly and be severe during the hot months
- Always check for ticks after leaving any wooded area
- Do not feed wildlife

Take only pictures, leave only footprints.
